

ANIMAL SKIN/ANIMAL FEATHER/SHELL REPORTING REQUIREMENTS

The following information is **required** and must be stated on the invoice for ALL items containing animal feathers, animal skins or shells.

- Latin Genus and Species name of animal.
- Common English name of animal
- State if animal was captive bred, ranch raised or taken from the wild.
- Country of origin of the animal (country where the animal was born).

BULK FEATHER INSTRUCTIONS:

1. A Veterinary Health Certificate is **required** for every shipment. The certificate must state two things in the body of the certificate:
 - a. Feathers are clean, dry and free from blood, skin and manure
 - b. List your type of treatment:
For example: Heat treatment of 90 degrees C for not less than 1 hour

Hobby Lobby must obtain a feather permit in order to import this merchandise. Before you ship any feathers, please ask the buyer for a copy of the permit to include with your shipping documents.
